Mentor

# “Investment ki पाठशाला”

*Billionair's Secret of Wealth Creation*

**Register Now: 93302 84848 / 49**

## COURSE SUMMARY :

People from different arena Invest Money in Conventional Products with Emotions, as we have never been taught about Investments & Emotions in our Education System. We Indians are world wide renowned for our savings but yet we are amongst the most poor's.

In our life due to emotions, we get upset, frustrated, depressed, de-motivated & often we get tired, bored, weakens our relationship with loved ones, sometimes we think that our growth in business/profession is limited, that moment we need Motivations, Confidence, Positive Attitude, Out of the box thinking which can again bring us back on track & take us at the top of the World.

In an ever Increasing Pace of Life & Business it becomes even more Important to remove stress & achieve Financial Goals to **“LIVE HAPPY, LIVE WEALTHY”**.
